

Studying at Higher Education

There are a wide variety of courses that you could study at higher education, from Maths to Archaeology to Law.

There are more than 50,000 HE courses available to study in the UK. When you apply for university you choose one course to study for the duration of your degree.

Course Emojis

To showcase some of the courses you can study at higher education, we have created a fun activity where we have put academic courses into the form of emojis!

Go on the link below to complete this activity, can you work out and correctly guess all 25 courses?

90 seconds to promote your course

Some students at the University of York were tasked with trying to promote their course in 90 seconds. Take a look at their videos below, did anyone convince you to study their course?

Please note: All information was correct at the time of recording and specific to the student. All information could be subject to change.
