MAINTENANCE  
LOAN

Maintenance Loan:  
This is what you will  
live off to  
pay rent and your  
living costs

You don't have to pay  
tuition fees  
up front, they will be sent  
straight to the University

You may never  
pay your fees or  
maintenance loan  
back if you don't  
earn over £26,575

Extra support is available

- Disabled student allowance
- Scholarships and bursaries
- Childcare grant
- Parents learning allowance
- Adults dependents' grant

Nursing, Midwifery and some  
allied health courses receive  
£5000 extra. This does not  
need to be paid back

You don't know what you  
want to do with your life  
yet? Then why not take 3 or  
4 years studying something  
you enjoy

Have you thought about a  
foundation course?

Do you love travelling  
abroad? Why not find a  
course with a placement  
year?

There is lots of evidence  
to suggest that graduates  
earn more than non-  
graduates

You want to meet new friends  
from all over the country and  
world

Why not become a  
Student  
Ambassador? It is a  
great way to meet  
people at university  
and earn extra  
money!

You want to move away  
from home and become  
independent
